**Bitches:** In my placings I was looking for balance and pointer type

**Minor Puppy Bitch (2)**

1st Edmondson's Crookrise Free and Easy o/w BPB

2nd Glennings Crookrise Free Flying lemon/w

Litter sisters, 7 month raw babies, both similar in shape the first was steadier on the move and flowed more underneath and had more work in the head. 2<sup>nd</sup> had slightly more depth of chest but at this stage tucked up over the loin.

**Puppy Bitch (10)** A promising class of babies

1st Ingham's Calderside Yours Truly 10 month l/w reminded me a lot of the old type of pointer. Won this class on her balance and movement, neck flowed into shoulders, had heart room in the forechest. Liked the width and length of thigh, good in second thigh, lost out for best puppy bitch in slightly plainer head and feet.

2nd Gloyne's Thorncross Commanche Call 9 month b/w

Another that although pleased for balance and movement she wasn't quite as good as first. She needs to drop in brisket but preferred her head and ear set, also liked her pasterns and feet.

3rd Tannahill's Wynbury Antonia

**Junior Bitch (7)** The first three pleased for their body flow, depth of brisket, pasterns and feet

1st Eden's Trexon Moonchild at Dalens 12 month b/w. This bitch appealed for head, kind expression, neck, shoulders and slightly lower hocks

2nd Smith's Hookwood Tickadee Boo Says Lypal similar remarks although hocks not as low but had the better ear placement

3rd O'Driscoll's Fowington Caracas

**Yearling Bitch (9)**

1st Tibbs' Raigmore Let it Shire JW 21month b/w. This girl was the most balanced without any exaggerations and the steadiest on the move. Best feet and pasterns in the class. Lovely head and melting expression in hard condition, had depth of chest and short coupled

2nd Smith's Hawkfield Lets Cause Truble JW One I have admired in the past, slightly heavier than first. One of the few with low hocks and had a little more length in the upper arm. Lost out to first in tightness and shape of feet.

3rd Wesley's Bradgate on the Run.

**Maiden Bitch (6,2a)**

1st O'Driscoll's Fowington Caracas 16month b/w, third in junior. More settled and moved better in this and following class. Pleased me for the shape of her eye and gentle expression, her neck flowed into the shoulder, lovely tail set and good expanse of second thigh.

2nd Glennings C.F. Free

3rd Stangroom's Lappakia Dune Song

**Novice Bitch (8)**

1st O'Driscoll's F Caracas

2nd Smith's Raigmore Dawn Chorus 15 moth b/w Very much a baby in this class but more settled on the move than in junior. Pleasing in body shape, ear set, second thigh and hocks a little down on her feet at the moment

3rd Welch's Hookwood Back to Black

**Undergraduate Bitch (3)**

1st Tannahill's Wynbury Isabella. 21/2 yr b/w. More mature and presented the better balanced picture. Especially pleased in pasterns, second thigh and arched neck.

2nd Mason's Freebreeze As You Like it. 20 month lemon/w lovely head, eye shape, melting expression, ear set, arched over loin, short coupled. Seemed to be at an in between stage of development thus not flowing as much as I would like.

3rd Swain's Moyola Music and Lights

**Post Graduate Bitch (21,4)** Some lovely bitches in this class, the placings were very close.

1st Drake's Clamerkin Crystal Lace JW Running my eye over this bitch she flowed in her body shape, good tail, excelled in her expanse of thigh and second thigh. Had slightly better feet than second but a little plainer in head.

2nd Symond's Medogold Kalandra at Tandfel. Another bitch that gave a balanced picture without any exaggerations. Head in proportion with chiselling under the eye, kind expression.

Also liked her sloping pasterns

3rd Nelis' Freebreeze Reflected Glory

**Mid Limit Bitch (6,2)**

1st Tiibs' Raigmore Quest another that I had judged as a youngster 2yr quality b/w. correctly proportioned head well set on neck, oval bone, good forechest not exaggerated anywhere neat tail set correctly pushed hard for the rcc.

2nd Westaway's Penwest Phedra JW l/w heavier through that first but still pleasing in shape and balance. Longer in upper arm and had lower hocks. Slightly heavier over loin and preferred the feet of first.

3rd Stangroom's Medagold Wannabeposh for Lappakia ShCm

**Limit Bitch (14, 1)** Three quality bitches in a beautiful class that oozed Pointer type

1st McManus Crookrise Moondance at Lunevill 31/2 yr o/w Very little to detract your eye on this bitch. At this level you are trading small points on one exhibit against another For me she" filled my eye" when she came into the ring. Placed her first for the better expanse of second thigh and more sloping pastern.

2nd Barker's Flinthill Jenny Wren same remarks apply but not quite fully mature yet. Judged her as a puppy and she is fulfilling her potential another six months should give the polished picture.

3rd Coggins Medogold Bewitched to Gemrose

**Open Bitch (11,3)**

1st Edmondson's Ch Crookrise White Lace

2nd. Westaway's Sh Ch Penwest Paza

Two exquisite bitches, whilst I would prefer a little more bend of stifle on the first she is so balanced through excelled in head, depth of brisket, forechest, oval bone, strong over arched loin, neat correctly set on tail which she used on the move. Covered the ground in her movement with high head carriage on an arched neck Delighted to award her the CC and to see her go BIS.

**Open Bitch continued:**

The second another quality bitch and similar remarks apply although not quite the balance of the first. Compared to the winner she had a slightly lower tailset but had the better shoulder angulation. I have seen her go better.

3rd McManus Crookrise Arran at Luneville

**Veteran Bitch** (6,1)

1st Preece's Sh Ch Pieaway Solar Corona over Harvestglade 10 year o/w

2nd Isherwoods Pieaway Focus Fixation With Symitry 9¾ o/w.

Both theses bitches are a credit to the breed and carried their age well. They showed some of the youngsters how to move. First moved the better but both had good angulation and flow through for a balanced picture.

**Gail Simmons – Judge** (bitches)
