

## **BATH CHAMPIONSHIP SHOW SATURDAY 29th MAY 2010**

I enjoyed my day despite the awful weather, fortunately we had a decent sized ring. I felt that there was more quality in the dogs than the bitches today. Having said that I was pleased with all my winners. Thanks for a super entry.

### **MINOR PUPPY DOG (1)**

**1st Theobald's Tycarreg Strangely Familyr.** Promising baby of just 6 months. Lovely head with good stop and dark eye. Nicely made all through. Movement difficult to assess as he was very "bouncy" but was enjoying himself at his first show!
