

# **BOSTON CHAMPIONSHIP SHOW 2020**

## **Friday 10<sup>th</sup> January 2020**

I would firstly like to thank the society for the invitation to judge at this show. The exhibitors deserve a big thank you too, it was a long day with being third in the ring and giving me a fabulous entry even though there were no CC's on offer. I feel movement let our breed down today, whether it was the floor or the size of the ring, many did not seem to show that drive and extension that is key to the breed.
