### DOGS:

Many thanks for the invitation to judge Dogs at this Show, and also to my capable stewards. As I have said before I love all Pointers but on the day you have to judge to the Breed Standard. I am worried about where the breed is going. We are still seeing many dogs with incorrect angulation of the hindquarters giving low tailsets and high tail carriage which completely spoils the lines of this breed. These dogs don't have the width of thigh or turn of stifle required because of the angle of the pelvis. Also, where are the beautiful chiselled heads with expressive eyes and fine leathers? On the plus side, temperaments were excellent and the majority were shown in hard muscular condition. I hope the foregoing comments aren't taken in a negative manner as they are only meant to be used constructively for the future of our beautiful breed.

#### VETERAN DOG (6)

1<sup>st</sup> Welch's Ir Sh Ch Hookwood Top Marks JW ShCM. Super fit 9 and a half year old b/w which showed in his excellent driving movement. Very balanced with nice head and expression. Good length of neck, super topline leading into a well set tail of correct length.

2<sup>nd</sup> Wood's Ch Stockend Jameson. Almost 8 year old b/w of smaller build than 1<sup>st</sup>. Another very fit veteran. Lovely head and expression. Long neck leading into a good body shape. Neat tail set on well. Good moving dog.

3<sup>rd</sup> Stilgoe's Teisgol King Henry ShCM. 9 year old b/w shown in super hard condition and gleaming coat. Not as positive on the move as 1<sup>st</sup> and 2<sup>nd</sup>.

#### MINOR PUPPY DOG (9)

1<sup>st</sup> Martin's Sunhouse Anything Goes. 7 month old b/w. Quality puppy with super profile movement. Lovely head and expressive eyes. Good in topline, well angulated fore and aft. One to watch.

2<sup>nd</sup> Gordon & Stokes' Wozopeg Sesame (Imp.Hungary). Very nice 8 month l/w. Another with a good head and expression although to be critical would prefer a darker eye. Super neck and shoulders, good forechest, deep brisket with an excellent topline finished off with a well set on neat tail.

3<sup>rd</sup> Coggins' Droveborough Born to Bound at Gemrose. Substantial 6 month l/w. Liked his head and eye. Good in outline with super feet and pasterns. Not so settled on the move as above but he is only a baby.

#### PUPPY DOG (6)

1<sup>st</sup> Harrison's Millpoint Heat Wave. Quality 9 month b/w with a beautiful head and expression. Lovely fine leathers which are sadly lacking in so many. He is well angulated fore and aft, super topline with a well shaped tail set on correctly giving him the lovely flowing lines required for our breed. Good feet and pasterns. Needs to tighten up in front movement but he has plenty of time for this. **Best Puppy Dog and Best Puppy in Show** over a very nice l/w bitch.

2<sup>nd</sup> Dodds' Raigmore Light Up The Sky for Lyncarda. Beautiful 10 month o/w. A very close decision between these two. Another with a beautiful head and eye. Super shapely outline, again with the flowing lines required. Sloping pasterns, super low set hocks. Lovely neat tail set on correctly.

3<sup>rd</sup> Coggins' Droveborough Born to Bound at Gemrose.

### **JUNIOR DOG (15)**

1<sup>st</sup> Smith's Fydal Ace. 13 month b/w. Lovely head and expression. Long neck, shapely body, good quarters, excellent topline finished off with a neat well shaped tail. Sloping pasterns and super low set hocks. Lovely on the move when he settled.

2<sup>nd</sup> Mason's Freebreeze Figaro. Stylish 17 month o/w. Classy dog with a lovely head and expression. Curvaceous body shape with well muscled hindquarters. Deep brisket. Correct feet and pasterns. Neat tail although would have preferred better carriage. Steady mover.

3<sup>rd</sup> Roberts' Kanix Dante's Inferno. Neat 16 month o/w. Nicely constructed and a super moving dog. Just not the scope of those above and would prefer less depth to muzzle. Super shaped tail set on well.

### **YEARLING DOG (12)**

1<sup>st</sup> Evans & Pavey's Joneva Diamond in the Rough JW 21 month o/w. Real stallion of a dog. Super balance and very mature for age. Lovely head and expression. Long neck. Well angulated fore and aft. Good depth to brisket. Would prefer better tail shape. Moved okay but I feel would have benefitted from a larger ring.

2<sup>nd</sup> Barrs-Gordon's Panoply Perfect Choice. Lovely 19 month b/w with super head and beautiful expressive eyes. Fine leathers. Long neck leading into shapely well balanced body. Well boned legs and feet. Shade upright in pasterns. Super topline finished off with neat tail set on well. This was a close call between these two.

3<sup>rd</sup> Barker's Flinthill Chocolate Thyme. Quality 20 month l/w. Another with a beautiful head and expression. Shapely outline. Good feet and pasterns. Correct bone. Neat well shaped tail.

### **MAIDEN DOG (10)**

1<sup>st</sup> Harrison's Millpoint Heat Wave.

2<sup>nd</sup> Martin's Sunhouse Anything Goes.

3<sup>rd</sup> Smith's Fydal Ace.

### **NOVICE DOG (7)**

1<sup>st</sup> Harrison's Millpoint Heat Wave.

2<sup>nd</sup> Tait's Moordale Match Point. O/w. This dog has a lovely shape and is well boned. Nice head and expression. Good in topline, depth and spring of rib. Well muscled quarters. Moved okay although not with much enthusiasm.

3<sup>rd</sup> Smith's Fydal Ace.

### **DEBUTANT DOG(6)**

1<sup>st</sup> Harrison's Millpoint Heat Wave.

2<sup>nd</sup> Stilgoe's Teisgol Just by Chance. Substantial b/w. Good head with a kind expression. Well turned stifle. Good bone. Moved okay.

3<sup>rd</sup> Anderson Rowell's Stormy Lenny at Daledancer. Real workmanlike b/w. Neat build with good neck and shoulders and well muscled quarters. Lovely low set hocks. Moved well.

### **GRADUATE DOG (4)**

1<sup>st</sup> Stilgoe's Teisgol Go Your Own Way JW Quality medium size b/w with lovely head and expression, fine leathers, good length of neck leading into a curvaceous body shape finished off with a neat tail. Well boned legs and feet, low set hocks. Moved well. Tail carriage could have been better.

2<sup>nd</sup> Mason's Freebreeze Figaro.

3<sup>rd</sup> Anderson Rowell's Stormy Lenny at Daledancer.

### **POST GRADUATE DOG (12)**

1<sup>st</sup> Whitham's Moordale Maritime at Sedgekirk. A favourite of mine. Super elegant b/w of medium size. A real athletic boy with the flowing lines of the Pointer. Love his head and expression, neat fine leathers, good reach of neck into a super topline with a neat tail set on correctly and used well. Lovely quarters with good turn of stifle and low set hocks. Moved well with lovely head carriage. Considered for RCC but just lost out on maturity.

2<sup>nd</sup> Theobald's Tycarreg Strangely Familyr JW ShCM. B/w. Another favourite of mine who just didn't make the most of himself on the day. He is such a typy dog. Medium size with a gorgeous head and expressive eyes. Neat fine leathers. Long neck leading into a shapely body. Still needs to mature. Moved okay.

3<sup>rd</sup> Desmond's Medogold Daramoon over Kajesola. B/w. I have always liked this dog. Super shapely body with beautifully muscled quarters. Pleasing head and expression. Excellent feet and pasterns. Good hard topline. Shown in tip top condition.

### **MID LIMIT DOG (6)**

1<sup>st</sup> Adams' Ansona Simple Simon JW ShCM. Elegant b/w with no exaggerations. Long neck, well angulated front and rear, good topline leading into a well set and carried tail of good shape. Pleasing head and expression with high set fine leathers. Moved well. Has perfect footfall in his profile movement although to be hyper critical would just like a bit more reach in front. However a worthy **RDCC** winner.

2<sup>nd</sup> Harrison's Millpoint Top Hat N Tails JW Curvaceous outline on this b/w. He flows through to his excellently muscled quarters. Lovely low set hocks. Well balanced head with kindly expression. Shown in tip top condition. Just not the movement of 1<sup>st</sup>.

3<sup>rd</sup> Sumner's Hawkfield Loves A Scoundrel. Another elegant b/w. Lovely head and expression. Super well muscled condition. Just a bit lighter on the hindquarters than those above and prefer slightly shorter tail.

### **LIMIT DOG (9)**

1<sup>st</sup> Wood's Stockend Winchester. This l/w is another favourite of mine. He is so well balanced and moved accordingly. Lovely head and expressive eyes, neat fine leathers set on high. Super topline with a neat well shaped beesting tail which he used beautifully. Close up for RCC.

2<sup>nd</sup> Alcorn & Lynn's Afterglow Bare Face Lie at Kanix ShCM. Thought this boy might have been my winner. Another with flowing lines from nose to tail. Sound moving dog made in a larger mould than above. Pleasing head and expression but would have preferred a darker eye. Super low set hocks but shade upright in pasterns. Superb profile movement.

3<sup>rd</sup> Sumner's Hawkfield Lets Get Rowdy JW ShCM. Very nice b/w with a lovely head and expression. Fine leathers. Long neck leading into well angulated body, good topline and neat tail set on well. Liked him.

### **OPEN DOG (10)**

1<sup>st</sup> Beesley's Sh Ch Birchleith Barbican Beau. This b/w just 'fits the bill' for me. No exaggeration anywhere. Medium size with every part flowing into the next, he is so well balanced with a superb topline and tailset, deep brisket, good spring of rib, well angulated fore and aft. Pleasing head, expressive eyes and lovely fine leathers. Shown in tip top condition and such an easy mover. **DCC**. Just a shame he lost his 'get up and go' in the challenge for **RBIS**.

2<sup>nd</sup> O'Driscoll's Sh Ch Fowington Five Bob Note JW Another unexaggerated b/w shown in excellent condition. Lovely expressive eyes, neat fine leathers, balanced head. Nicely constructed dog who flows through, deep brisket, well sprung ribs, moved well.

3<sup>rd</sup> O'Neill's Hurwyn Some Might Say JW B/w with a good head and expression. Stylish and well constructed. Doesn't really want to make the most of himself in the ring.

### **SPECIAL WORKING GUNDOG DOG (2)**

1<sup>st</sup> Westron's Aurichalcum Lord Beckett of Castlepoint. This o/w won this class on his superb movement. He is a very stylish dog shown in hard muscular condition. Impressive looking dog. Scored on width of thigh and steady movement.

2<sup>nd</sup> Marsh's Sharnphilly Redshank for Ratchda. Good b/w shown in super hard condition, medium size. Preferred the head and expression of this boy but just not as steady on the move as 1<sup>st</sup>.

### **FIELD TRIAL DOG (2)**

1<sup>st</sup> Wood's Stockend Winchester.

2<sup>nd</sup> Wood's Ch. Stockend Jameson.

### **SPECIAL BEGINNERS DOG (4)**

1<sup>st</sup> Miller's Shadesett Better Believe It. This b/w settled so much better in this class. He has a good head and expression. Nicely shaped body, well boned legs and feet, sloping pasterns. Shown in good condition.

2<sup>nd</sup> Anderson Rowell's Stormy Lenny at Daledancer.

3<sup>rd</sup> Roberts & Easton's Fanmatrix Serious Sirius. Shapely l/w shown in well muscled condition albeit a shade light on the hindquarters. Would like more working in head and depth of muzzle but has correct fine leathers. Good feet and pasterns.

## **BITCHES:**

I would like to thank the Club for the invitation to judge bitches at their Championship Show. An honour indeed. Thank you also to the exhibitors for such a lovely entry and to my stewards for their help in keeping things moving.

Overall I was pleased with the quality of my entry although there were some with incorrect front angulation and upright pasterns. Not only does this lead to incorrect front movement but having no 'springs' to counteract the impact of this galloping breed can lead to unsoundness. I also like a bitch to look feminine and did find a few that were very 'doggy'. However overall the quality was good and I was very pleased with my final line-up.

### **VETERAN BITCH (8, 1)**

1<sup>st</sup> Turnbull's Juennerfly Angelica at Beridew

She is ultra feminine but still strongly built. Good bone. Excellent feet and pasterns. Moved easily with soundness and drive. Pushed hard in the challenge but just needs a bit more maturity to complete the picture. Her day will come.

Neat, thin ears, correct crest leading into a lovely neck and shoulders. Good front, correct sloping pasterns. Good depth, spring of rib. Strong quarters with well let down hocks.
