1<sup>st</sup> WALKLING, Mr R & SIDDLE, Mrs A & SIDDLE, Miss A Wilchrimane Kinsphere with Kiswahili. Smart youngster who already possesses a great deal of ring presence. Head is well proportioned and coming along well, dark eye and appealing expression. Clean in outline with the angulation you would desire at this age. He still needs to drop a little in forechest as one would expect. Sound and free action on the move, should have a bright future. BPD.

2<sup>nd</sup> ASTBURY, Mrs D Jilony Bobby Ball at Dorbury. Placed 4<sup>th</sup> in a strong puppy class. Very raw and still needing to get his act together on the move, which should come with age. Appealing head and expression. Good body proportions and in fit condition. He needs time to fill his frame and grow up.

3<sup>rd</sup> BOWEN-BROOKS, Mrs J Tenshilling Here I Go Again

**POST GRADUATE DOG (6 Entries, Abs: 0)**

1<sup>st</sup> BLAIR, Mr C Twinhoe Vittorio. Orange and white dog who entered the ring and took my attention. A real stallion of a male, confident, super carriage about him and displaying a picture of balance and style. Masculine in head without being overdone, kind expression and dark eyes. Ears well set, if being critical I would like them a shade finer. Strong neck with lovely crest to it. His front assembly is very good, shoulders well back and the desired return of forearm. Standing on straight well bones legs and neat feet. His body is a picture of gentle curves which all flow together. He has strong quarters and these are used to advantage on the move. Fine harsh coat and tight skin. He covered the ground with such ease on an open and effortless side gait, whilst carrying himself well. My pleasure to award him his first CC.

2<sup>nd</sup> TIMOTHY, Mrs K & O'NEILL, Mrs C Tenshilling I Got The Fever. Very appealing in head and expression, good work and dark expressive eyes. Fine ears which were well set. Good reach of neck fitting neatly into his shoulders. Well ribbed back and firm in loin, clean curvy underline. Not the quarters of Vittorio. Tail well set and good finish to the croup. He moved well in profile, would like to see him a little more positive coming towards me.

3<sup>rd</sup> HENSHAW, Miss A Sharnphilly Vice Versa with Peteshe

**LIMIT DOG (11 Entries, Abs: 0)**

1<sup>st</sup> HORN, Ms M & VOWELL, Mr I Droveborough's Smooth Mover JW. This orange and white took the class on his style and carriage as he went around the ring. He presented a very appealing picture of balance with the right amount of substance. Head is well proportioned and has enough stop. Ears are well set and fine in texture. Good reach of neck and well made front assembly. Ribs well sprung and back to a powerful loin. Carrying the right amount of body and in good condition. Gentle curves throughout and standing on good legs and feet. Positive footfall on the out and back with an open side gait going around.

2<sup>nd</sup> GERRARD, Mrs M Carmandine Count On Me. Black and white who creates an eye catching outline on the move, he tended to pull back a little on the stack, however he came to life going around the ring. Proportionate in head with wide nostrils and good finish to the foreface. Clean in outline, fine skin and balanced angles fore and aft. He was in hard muscular condition which showed on the move. True and easy in action.

3<sup>rd</sup> LAYTON, Master S Joneva Born To Thrill

**OPEN DOG (3 Entries, Abs: 0)**

1<sup>st</sup> JAMIESON, Mrs L & MACARA, Mr A & MACARA, Mrs J & B Sh Ch Kanix News Flash at Glenfinnan. Liver and white male who presents a clean outline, masculine without being overdone. Pleasing in head and expression, defined stop, slight dish to the foreface, skull a little domed for my taste. Fine ears which were set on well. Strong neck, well placed shoulders and straight front. Pasterns slightly sloping and neat feet. Good depth and strong through the loin, would like a little better finish to the croup. Powerful quarters and good muscle tone. Had good carriage on the move with an open side gait. Pleased to award him the RCC.

2<sup>nd</sup> ADAMS, Mrs L D Millpoint Simply Smashing JW ShCM. Black and white who presents a typical outline, symmetrical and balanced. Head of good proportions with a defined stop, gentle expression, and good finish to the foreface. Good through the neck and shoulders with enough return of forearm. Depth to forechest and strong in loin, liked his finish to the croup. Stifles well bent and standing on good legs and feet. On the move he had a positive footfall but lacked the enthusiasm and extension on the move today that I have seen before.

3<sup>rd</sup> HENSHAW, Miss A Penbro Under Pressure with Peteshe

**SPECIAL BEGINNERS DOG OR BITCH (3 Entries, Abs: 1)**

1<sup>st</sup> KLAIBER, Mrs N Hawkfield Scandalous. 12-month-old orange and white with plenty of potential, just needs time to nature and finish. Good head proportions with a super eye and expression. Plenty of curves and balance throughout. Balanced angulation fore and aft and body developing well. Sound action on the move.

2<sup>nd</sup> BARHAM, Mrs L Droveborough's Mocha Mayhem. Liver and white with a feminine head, well set ears which were fine in texture. Clean through the neck, shoulders decent, would prefer a little more lay back and length to forearm. Straight front and lovely feet. Depth to her forechest and well ribbed back to a firm and well proportioned loin. Good finish to the croup and well set on tail. Quarters developed and enough bend to her stifles to complement the front assembly. Moved in a stead action.

### **MINOR PUPPY BITCH (4 Entries, Abs: 0)**

1<sup>st</sup> SIDDLE, Mrs A G & SIDDLE, Miss A & MEDEIROS, Mrs H Wilchrimane Piri Piri. This orange and white young lady is devine, she can come and sit on my sofa any day. Exquisite head and expression, fine ears and super finish to her foreface. She just flows with a balanced and curvy outline, strength with femininity and an air of class about her. Constructionally, she is put together very well and this shows in her movement, for one so young she was a delight to watch on the move. Will watch her career with interest. Best Puppy in Breed and pushed hard for top honours.

2<sup>nd</sup> WILKINSON, Mrs B Stocksfell Showdown. Another very appealing young lady with bags of potential. Feminine head and expression, slightly shorter in foreface at this stage than Piri. Clean neck leading to a good front assembly and just how you would want for her age. Correct in body proportions with a good finish to the croup and well set on tail. Quarters developing well. Good side gait and an accurate footfall, just needs to tighten on front action which should come with age.

Fine ears which were well set. Good reach of neck shoulders well back and a straight front. Ribs well back and firm in loin. Quarters developing well and in good condition. 2<sup>nd</sup> BARHAM, Mrs L Droveborough's Mocha Mayhem

**YEARLING BITCH (4 Entries, Abs: 2)**

1<sup>st</sup> EVANS, Mr J & PAVEY, Mr P Joneva Just Because. Another who has the most divine head and an expression that looks straight through you as though you are not worthy. Well proportioned throughout presenting a picture of style with gentle curves, symmetrically built and full of quality. Fine well placed ears, her neck flows cleanly into well placed shoulders and a good return of forearm. Good body proportions with ribs well back and sprung leading on to a firm loin. Still needing a shade more body and maturity, but these things cannot be rushed. Quarters well made with good muscular development. Free flowing action on the move with good carriage. Another considered for top honours and I think it won't be long before she's there.

2<sup>nd</sup> CRAWTE, Mr B & CRAWTE, MRS W & CRAWTE, MR J & CRAWTE Sharnphilly Spiced Ginger at Leascliffe Orange and white bitch who did not have the finish and maturity at this stage of Just Because. Pleasing in head and expression. Balanced angles and good body proportions. Still a little loose on the move at this stage and needs to tighten as she matures. Good bone and substance and standing on neat feet.

**NOVICE BITCH (10 Entries, Abs: 2)**

1<sup>st</sup> WEBB, Mrs J Tenshilling The Wanderer

2<sup>nd</sup> O'NEILL, Mrs C Tenshilling Queen Of Fools. Black and white with a pleasing head and expression, would like a little more definition in occiput to complete the picture. Clean neck into shoulder with a decent front assembly. Good body properties and firm topline, still needs to drop into her quarters. Balanced movement, just needs a little more animation.

3<sup>rd</sup> BROOKSMITH, Miss A Nightgold Pipkin

**POST GRADUATE BITCH (7 Entries, Abs: 2)**

1<sup>st</sup> SIDDLE, Mrs A G & SIDDLE, Miss A & MEDEIROS, Mrs H Wilchrimane Charisma. This orange and white came into the ring and took may attention immediately. Her name is so accurate as she appealed from the start. Gorgeous head piece with balance, beautiful expression, wide open nostrils and finish to the foreface. She just flows from head to the tip of her tail in a picture of graceful curves, quality and symmetry. Superb front assembly with straight legs and neat feet. Her body proportions are so correct with ribs sprung and well back to a firm and powerful loin. Her topline never faltered and she has the correct finish to the croup and well set tail. Short hash coat and tight-fitting skin. Well bent stifles and well developed first and second thigh. A delight to watch moving around the ring with such style and carriage putting every foot down where it should land. My pleasure to award her the CC and BOB.

2<sup>nd</sup> SWANNELL, Mr A Rickory Ask Me Nicely. A black and white bitch who got better as the more she relaxed. Lovely shape and outline showing balance and the right amount of substance. Head is well proportioned with enough stop and work under the eye, soft expression and fine ears. Clean neck and well placed shoulders. Balanced angles fore and aft and standing on good legs and feet. Well bodied with curves and a good finish to the croup. On the initial go around she didn't give her best performance, when it came to her individual turn she had settled and moved with an open side gait and covered the ground well.

3<sup>rd</sup> BROOKSMITH, Miss A Nightgold Pipkin

**LIMIT BITCH (6 Entries, Abs: 0)**

1<sup>st</sup> GERRARD, Mrs M & BELL, Mrs C Chesterhope C'mon Over to Carmandine (Imp NZL) JW. I have admired this bitch since I first saw her as a puppy and was delighted to have the chance to go over her. She has a beautifully moulded head with the right amount of stop, good finish to the fore face and a soft expression. She presents a very balanced picture, gentle curves, correct amount of substance and bone with an air of elegance about her. She is made very well with good angulation both ends, well bodied with ribs well back and a firm loin. Her topline was firm and a good tailset. Fine ears and tight skin. She moved with an accurate footfall and covers the ground well. In the challenge she pushed very hard and was pipped to top spot just as I preferred the carriage of Piri.

2<sup>nd</sup> WILKINSON, Mrs B Stocksfell Seldom Seen. Another orange and white out of the top drawer. Beautiful head shape with chiselling under the eyes, good stop open wide nostrils and an expression that melts you. Strong neck leading into well placed shoulders, correct return and depth to her forechest. Ribs well back and firm through the loin, good finish to croup and taliset ok. Stands on good legs and neat feet, fine ears and tight skin complete the picture. She moved with drive and good carriage, on the final run off I just found C'mon Over a little neater in front action.

Tight skin and good coat condition. Powerful quarters with a good bend of stifle and well let down hocks. Topline firm with a good finish to her croup, well set on tail which had a good action on the move. Very accurate footfall on the move and in profile had carriage and style which clinched her the class.

2<sup>nd</sup> BLACKBURN-BENNETT, Mr J & MACARA, Mr A Sh Ch Kanix Petunia at Stargang. Bitch built on a larger frame whilst maintaining her femininity. Pleasing head with good stop and finish to the foreface, not quite the work of Pirouette. Fine ears which were well set. Long and strong neck leading to well placed shoulders. Good depth to her forechest and ribs well back. Firm in topline and a well set on tail. Curvy throughout and stands over plenty of ground. Developed quarters which she used well on the move.
