

WEST OF ENGLAND LADIES KENNEL SOCIETY

Sunday 24th April 2022

I would like to thank the committee of the 'West of England Ladies Kennel Society' for their kind invitation to judge Pointers for the first time with CC's, (which was postponed from 2020). The show is held in the beautiful setting of the Malvern Hills. We had a lovely big ring outside, but it was rather cold and windy, but when the sun did make an appearance, it felt quite pleasant. I think the cold wind did have an effect on some of the dogs, both standing and, on the move, which had a knock on effect with the placings. I would like to thank the exhibitors for the fabulous entry (133 dogs, 196 entries), I felt most honoured to have the pleasure of your beautiful dogs. As an outsider looking in, a couple of points you may wish to consider: Front assembly, length and position of shoulder blade and upper arm, fore chest, movement in front. Teeth, I was surprised to find small teeth and some very tight or level bites. But on the whole, a beautiful breed, with so much to admire.

VETERAN DOG (Entries: 4 Absentees: 1)

1st Fydal Beeswing at Raigmore (Mr J & Mrs P Tibbs)

Such a stylish 7 year old O/W dog, most appealing with his curvy outline. When stood shows balance and symmetry. Lovely proportions to his head, with a good length to the foreface, nicely dished, and a kind dark eye giving such a soft and gentle expression. He has a lovely flow, with a good reach of neck, deep in brisket, ribs carried well back, and muscular hindquarters. A sound and positive mover, driving around the ring with his tail lashing.

1st Teisgol Double Trigger (Miss M Saunders)

Of a different stamp to the winner, built on heavier lines. This 7 year old O/W dog has a pleasing outline when stacked showing off his flowing outline. His head is balanced, with a good stop and length to the foreface, clean flews. Depth to the ribcage and fill in of forechest, nice oval bone and showing a slight slope to the pastern. Liked his width of thigh, and good bend of stifle. Moving lovely in profile, not as tidy as winner in front today, but good width and power from the rear.

MINOR PUPPY DOG (Entries: 6 Absentees: 1)

1st Haramander Phantom (Ms A J Milford)

Pleasing 8 month old O/W dog, who was really feeling the cold wind today. Showing much promise for one so young, everything is in the right place and once his teeth stopped chattering cut a lovely shape. Pleasing head, with a slight dish and chiselling under the eyes. Lengthy neck, firm topline once relaxed. Enough depth for his age, with ribs carried well back. Strength to his hindquarters, with a good width of thigh and bend of stifle. Holding his outline in profile when moving, just needing to tighten up, which will come with time.

2nd Hookwood Starman (Mrs S Welch)

Darkly marked B/W 8 month old dog, of a different stamp to winner, but with much to admire. When stood shows good balance with nothing overdone. Masculine head with a dark eye. Clean neck of good length, ribs are nicely sprung and reaching down to the elbow, holding a firm topline. Not quite the width of thigh of winner, but with a nice bend to the stifle. Fabulous 3 year old B/W dog caught my eye, he is so very smart and fully of quality from which ever angle I looked at him from. He seems to make his presence known in an unassuming way, my eye kept being drawn back to him. He has super balance and construction. Having strength but with elegance, being workmanlike but curvy. Lovely handsome head, proportionate in its ratios, nicely chiselled, thin leathers and a beautiful dark eye. Long muscular neck flowing seamlessly into a firm topline and well set on tail. Lovely 7 year old O/W bitch, who looked a picture when stood. Well proportioned body with graceful body lines. Having the desired substance but with elegance combined. MINOR PUPPY BITCH (Entries: 4 Absentees: 0)

1st Evaluna Chasing Rainbows with Hookwood (Mrs D & Mrs S Perren & Welch)

Lots to like about this 9 month old B/W bitch. She is so 'together' for her age, winning the class on her positive movement. Liked her overall shape and size, she is sturdy with good substance yet retains her femininity, and with nothing overdone. Her head is proportional and feminine, but still needs to break. Strong neck flowing seamlessly into a firm well held topline. She has good depth, down to the elbow and nicely filled in forechest. Having a good rear assembly. All coming together on the move, she showed to be free flowing in profile with a lashing tail action and neat and tidy fore and aft.

2nd Haramander Stop N Stare (Ms A J Milford)

Happy and outgoing 7 month old O/W bitch, another quality puppy showing lots of promise and mischief! She is still very raw as expected but the basic framework is all there, she has a lovely flow and elegance to her outline. Thought she had a most feminine head, well proportioned with chiselling under the eyes, good stop, thin leathers and dark eyes and pigmentation to give a lovely expression. Good length of neck, starting to drop into herself, nice oval bone with a slight slope to the pastern. Liked her width of thigh and sweep of stifle. A little erratic on the move to start with, but showed good drive.

WOW, just fell for this 13 month old O/W bitch. She is just top quality and oozed breed type. Looking an absolute picture on the stack, with her harmonious proportions, sound construction and very shapely silhouette. For me she combines, elegance, grace, strength and nobility. Feminine head, showing good proportions, gentle dish, thin leathers and a dark gentle eye. Long, slightly arched neck which flows beautifully into a firm well held topline and perfect set on of her bee sting tail. Brisket down to the elbow with good fill in of forechest, oval bone onto slightly sloping pasterns and well arched feet. Well sprung ribs which are carried back to a firm short loin, and a strong hindquarters which have width, strength and a lovely sweep of stifle. On the move she so free and positive, flowing around the ring. Delighted to award her the **CC**, very close up for BOB, but felt the dog today showed a little more power and drive in the final run off. I hear afterwards that this was her very first ever show – not a bad start, congratulations!

Strong muscular neck, lovely depth to the ribcage and well filled in forechest. Nicely boned limbs, with the slight slope to the pasterns. Her ribcage is carried well back with a short and strong loin. Muscular hindquarters which were used well on the move, as she has a ground covering action and positive in her front and back action.

2nd Sharnphilly Santa Rosa (Mr J & Mr N Thirlwell & Malik)

Loved the outline to this 21 month old O/W bitch when stood, she has such elegance and an unbroken flow to her. She has all the essentials there, just needing a little more time to mature, but think she will finish well. Refined and feminine head, well proportioned, nicely chiselled, well placed thin leathers and a kind dark eye. Elegant, long but muscular neck flowing seamlessly into a well held topline. Enough depth of brisket would like a little more fill in of forechest, and well sprung ribs. Liked her hindquarters as they show a good width of thigh and bend of stifle. She has a lovely flow to her movement in profile, not quite as clean as winner today in front, super drive from the rear.

13 month old B/W bitch, previously 4th in a strong junior class. She has a little more range to her outline, but still showing good balance and flowing lines. Upstanding and impressive in her stature this 5 year old O/W bitch certainly cuts a fabulous outline when stood. Her lines are so graceful, feminine and has that balance of strength and elegance combined. Lovely head, well proportioned and feminine, good length to the foreface, nicely chiselled, with such expressive eyes. Her long slightly arched neck runs smoothly into her firm strong topline. Chest is down to the elbow and with enough fill in of forechest. The ribs are well sprung and carried well back to a muscular loin. Super hindquarters, wide and muscular with a nice sweep of stifle. And she can move, in profile she eats up the ground with lovely reach and drive, unfortunately today was a little untidy in her front action coming towards me and paid the price of a top award.

2nd Sh Ch Sharnphilly Serendipity JW (Mrs S, Mr M, Mrs S & Mr B Oddie, Dyer & Coles)

Top quality 3 year old B/W bitch, and litter sister to my DCC. Lovely outline, so shapely and graceful yet I felt she wasn't showing that 'look at me' of the winner today. She is very smart with good balance and construction, each part flowing seamlessly into the next. Beautiful feminine head, balanced with a lovely dark eye. Her neck is clean long and muscular, brisket is well let down to the elbow and with a good fill in. Nicely boned limbs slight slope to the pasterns. Firm in her topline where the ribs are well back. Strong rear end, good width of thigh and well bent stifles with well let down hocks. 7 year old B/W bitch, shown in lovely condition and looking a pleasing shape when stood. She has good substance and yet refined. Her head has a balanced profile, but lacks a little work to it, good length to the foreface, and a dark eye give a kind expression. Lovely, long and elegant neck, flowing and firm topline. Good depth to the brisket, with a well sprung rib cage, short coupled with a strong loin, not quite the fill in of forechest of winner. Hindquarters in good muscle tone. Showing a nice side gait on the move, a little untidy coming towards me.
