MINOR PUPPY BITCH (5 Entries, Abs: 0)

1st MACARA & BLACKBURN-BENNETT, Kanix Sooty at Stargang. Little did I realise that this youngster would turn out to be the star of the day. She stood out for her overall balance and outline and just screamed "Pointer" at me. She has a lovely head, correct length of foreface, good pigmentation, stop well defined but not exaggerated. Neck muscular and powerful, clean and well set into shoulder. long sloping shoulder, enough spring of rib, chest deep, short in coupling, has well developed hindquarter, hocks well let down. Having said all this it is her overall shape where her quality shines through. Super topline, with no flattening out of her topline, just curves into her slightly sloping croup and set of tail, complimented by an underline that rises into her loin. She showed maturity on the move, perfect footfall and an easy graceful gait with good front extension with minimum lift, and power from her hindquarters. CC & BOB. Surprised, but delighted to see her gain 4th in the Gundog Group and winning the Gundog Puppy Group.

2nd BROOKSMITH, Millpoint Golden Pippin. Another quality youngster, excelled in lay of shoulder, ribs deep, hindquarters long and sweeping. Liked her head and expression with nicely shaped forward looking eyes.

2nd CARDIFF, Freebreeze Pixar at Prosperity. A shorter coupled bitch, deep in rib, good finish to croup, well developed hindquarters with sound movement.

3rd GUY, Carofel If I Had Wings

JUNIOR BITCH (3 Entries, Abs: 1)

1st WELCH, DRAKE & HAZELTINE, Miss Clamerkin Jubilee Surprise at Hookwood. Lovely overall balance on this young bitch, she is strong in body without losing any finesse in her overall shape. Not quite the work in her young head at the moment, but won over the puppy winner on her excellent movement, precise footfall and even gait RCC

2nd BOND, Joneva Azelia Banks. I liked her overall elegance and balance. Ribs deep and well back, wide through her quarters with good second thigh. She was just a little hesitant on the move today.
