

# **BOURNEMOUTH CHAMPIONSHIP DOG SHOW**

## **Sunday 10<sup>th</sup> August 2025**

### **MINOR PUPPY DOG (3)**

1<sup>st</sup> Tenshilling Catch The Wind. At just six months old, this is a well developed and in general very well constructed dog. Masculine head, straight muzzle. Well set ears. Strong neck, well set into shoulders. Already well developed in his forechest with excellent layback of upper arm. Excellent topline, depth and correct width all through. Balanced angulation behind. His tail is slightly low set. He moved soundly and efficiently from all angles. Very good feet. Moved out well from the side, if somewhat narrow behind.

2<sup>nd</sup> leurfield Benjamin Button with Marissolo. Same age and with very good quality, but he is much less developed than the winner. I preferred his head profile with excellent length and an attractive dish-face. Long neck, well set. Well set and carried tail, actively using it on the move. Well angulated behind. Needs to develop in his forechest and to stabilize in front movement.

3<sup>rd</sup> Tenshilling Hello Stranger

### **PUPPY DOG (6)**

1<sup>st</sup> Quinnery Swindlerby By Lypal. A dog with quality and style. He is well -proportioned and eye-catching. Quality head with excellent occiput and pleasing planes. Well set ears. Long neck, well set into shoulder. Moderate angulation in front with enough prominence of breastbone. Attractive outline, well set tail. Moderate, balanced angulation behind. Very good legs and feet. He moved out well from the side and is quite good coming and going as well.

2<sup>nd</sup> Tenshilling Catch The Wind

3<sup>rd</sup> Wilchrimane Cereal Killer

### **JUNIOR DOG (4)**

1<sup>st</sup> Ladyhawke Desert Orchid. Very attractive dog with obvious quality, if slightly longer cast. He has a typical head with a dish face and a very good skull, well set ears. Good neck into shoulder. Pleasing return of upper arm. Strong topline, moderate, balanced angulation behind. He used his tail actively on the move and moved very well from the side, if not perfect coming and going.

2<sup>nd</sup> Sharnphilly Black Abbott. Standing, I liked this dog a lot. He has a very attractive silhouette and is short coupled. Attractive, masculine head with some dish face and a beautiful expression. Strong neck, well set. Balanced angulation both ends. He has a slight arch to his loin and an attractive underline. Well set tail. Excellent bone and feet. However on the move, even if keeping his balance, he lifted his front legs too high.

3<sup>rd</sup> Teisgol Calendula

### **YEARLING DOG (5)**

1<sup>st</sup> Harvestslade Fire And Ice through Merynjen JW. A typey dog, well proportioned, masculine without lumber. He has a strong masculine head with a beautiful profile with a dish face and a very attractive expression. Long neck, very well set into shoulder. Balanced angulation both ends. Excellent topline and underline. He moved well from all angles with soundness and balance. Well set tail that he used actively. ResCC.

2<sup>nd</sup> Tenshilling Shboom JW. An exceptionally good moving dog, especially from the side. Strong, masculine head, could do with some dish face. Strong neck, very well set. Well angulated both ends. He is slightly stronger than what I prefer. Well set tail. His brisket could be a little longer. He is an exceptional mover, energetic, sound and clean.

3<sup>rd</sup> Teisgol Calendula

### **GRADUATE DOG (3)**

1<sup>st</sup> Teisgol Calendula. A quality dog, but I would like more of him, and he could not be any shorter than this. Attractive head with some dish face and excellent length of muzzle. Very good expression and ears. Crested neck, well set, good return of upper arm. Well set tail. He comes alive in movement and looks better balanced on the move than standing still.

2<sup>nd</sup> Wilchrimane Silent Bounty. A very elegant dog, another that I would like a bit more of, especially in bone. Typical head with very pleasing head planes, well carved out under the eyes, good neck. Very moderately angulated both ends. Pleasing topline. The tail is somewhat high set. He moved with enthusiasm but could extend more both ends.

3<sup>rd</sup> Sunhouse I'll Be Black

### **POST GRADUATE DOG (3)**

1<sup>st</sup> Heartsbury Matador JW. A dog of obvious quality. He has a masculine head with a dish face. Ears could be higher set and is not his fortune. Long neck, well set. Good angulation in front, enough width in front. Attractive body silhouette and a well set tail. Very good legs and feet. He was the most fluent mover in the class, retaining his attractive silhouette. Could benefit from slightly more weight.

2<sup>nd</sup> Wilchrimane Let's Be Frank. A masculine dog, well constructed. He has a masculine head, would not want more skull than this. Very good ears. Strong neck. Balanced angulation both ends. His tail is too high set and is carried too gaily on the move which detracts something from his otherwise very good side movement.

3<sup>rd</sup> Joneva Just Goes To Show at Errytar

### **LIMIT DOG (5)**

1<sup>st</sup> De Las Navazuelas Stormcloud at Ridanflight (Imp ESP). A very eye-catching dog with plenty of elegance and style about him. He has an attractive, masculine head with some dish face. Long neck, well set. Well angulated both ends. Lovely outline with excellent topline, underline and tailset. Could carry some more weight which would give him some more sturdiness. When concentrating on the task, he moved well. Lovely coat and white and black colour.

2<sup>nd</sup> Harvestslade Light Of Peace. A strong, masculine dog, with just enough length of leg. Very attractive head and expression, well set ears. Strong neck, well set. Very good forechest. Firm topline, well set tail. Well angulated behind. A sound mover, but not the elegance of the winner.

3<sup>rd</sup> Joneva Just Imagine JW

### **OPEN DOG (7)**

1<sup>st</sup> Kanix Sourdough with Calaquendi JW A two years old, this is a very attractive dog, well up on legs and matching body length and overall, very high quality. He has a masculine head who could do with some more drying out, but he has some dish face and a lovely expression. Long and crested neck, well set. Balanced, moderate angulation both ends. Excellent topline with a slight arch over the loin, curves to his underline. Well set and carried tail. He moved soundly and efficiently from all angles. CC

2<sup>nd</sup> Sh Ch Sharnphilly Boondoggle JW. Seven year old, very functional and very sound dog. He has enough length of leg, combines being substantial with elegance. Typical head, well set neck, excellent forechest. Balanced angulation both ends. Well set and carried tail. He is a very sound mover from all angles, opening very well from the side. Not quite the elegance of the winner.

3<sup>rd</sup> Sh Ch Sunhouse Banged To Rights

### **VETERAN DOG (2,1)**

1<sup>st</sup> Moenfair Sanguineum Luna JW. A very well made masculine dog in very good condition for his seven years old. Masculine head with good length, correct stop. Excellent ears. Strong neck, well set. Balanced angulation both ends. Deep chest. Some arch over the loin, well set tail. A nice and easy, no-nonsense mover.

### **SPECIAL BEGINNERS DOG OR BITCH (6)**

1<sup>st</sup> Droveborough Witchy Woman. Nine month old white and liver bitch, very elegant and feminine bitch with pleasing proportions and body shape. Typical head with a dish face, good ears. Elegant neck. Moderate angulation both ends, she needs to gain some more width of body. Well set and carried tail. She moved light on her feet and kept her balance.

2<sup>nd</sup> Hawkfield Golly Gosh at Moyola Black and white bitch who comes alive in movement and has a very pleasing balance on the stack. Her head is not her fortune, rather round in skull. Good neck into shoulder. Moderate, balanced angulation. Pleasing topline, well angulated behind. Well balanced and supple on the move.

3<sup>rd</sup> Sonham Just Over The Moon at Oramiss

### **VETERAN BITCH (4,2)**

1<sup>st</sup> Sharnphilly Toggi with Hookwood JW. At seven and a half year old, this bitch is very fit and in excellent condition. She has a feminine head with a slight dish face. Very good ears. Long neck, well set. Enough forechest. Could do with a little more bone. Attractive topline and underline. I would not want her tail to be lower set. Balanced angulation behind. She is a nice and easy mover, quite sound coming and going.

Best Veteran

2<sup>nd</sup> Phlynnies Catch Me If You Can of Dappleline. A more substantial bitch. Not quite the head of the winner. Long and strong neck. Moderate, balanced angulation both ends. Needs a stronger pastern. Moved with enthusiasm, but not as flowing and effortless like the winner.

### **MINOR PUPPY BITCH (4,1)**

1<sup>st</sup> De Las Navazuelas Judeline. A very spectacular bitch puppy of the highest quality. She is a true work of art. She has a very typey head with correct stop, a dish face and lovely expression. Long and crested neck. Super front. Excellent topline, plenty of angulation behind, she does not need any more than this. I predict a brilliant future when she grows a little more up on her legs. Best Puppy

2<sup>nd</sup> Tenshilling Let's Pretend. Another attractive bitch, well proportioned. Fair head, lovely expression. Good ears. Strong neck, well set. Firm topline. She moved light on her feet and well balanced, but not quite the star appeal of the winner.

3<sup>rd</sup> Vengatureino White Heather

### **PUPPY BITCH (4)**

1<sup>st</sup> Droveborough Black Magic. Well made black and white bitch of very attractive type and overall quality. Typical head with very good length of skull and muscle, excellent lip line. Neck very well set into shoulder. Moderate angulation in front. Firm topline, attractive underline. Well set and carried tail. Well angulated behind. She was very synchronized in movement from the side.

2<sup>nd</sup> Tenshilling Let's Pretend

3<sup>rd</sup> Droveborough Witchy Woman

### **JUNIOR BITCH (3,1)**

1<sup>st</sup> Teigol Rose Champion JW. A very attractive young bitch of excellent type and quality, well proportioned. She has a typical feminine head with good length and an attractive expression when showing it. Good neck into shoulder. Moderate angulation in front. Strong topline with some arch over the loin, attractive underline. Well balanced read. Well set tail. She has lovely balance on the move, good drive from the side, but could extend a bit more in front.

2<sup>nd</sup> Woodbyrgg Beatrix Potter. Another attractive, feminine bitch, well proportioned and a big mover from the side. Typical head and expression. Very good ears. Long neck. She needs to grow more width in her front and more front fill. Attractive topline and good tailset. She extends impressively well both ends on the move, but is rather narrow both ends coming and going.

### **YEARLING BITCH (4)**

1<sup>st</sup> Droveborough's Hells Bells. Typical, well balanced bitch. Feminine head, just enough length of muzzle. Very pleasing expression. Prominent occiput. Elegant neck, well set. Moderate front angulation, matching and balancing well with her read. Strong topline, could do with some arch of loin, Well set tail. Sound read. A sound functional mover from all angles on very good legs and feet.

2<sup>nd</sup> Sonham Just A Pretty Belle JW. Another attractive bitch, quite strong, still feminine. Good length of head, not the expression of the winner. Long neck, well set. Well angulated both ends. Attractive body shape. A big and functional mover from the side. Well handled.

3<sup>rd</sup> Harvestslade Star Ruby

### **GRADUATE BITCH (6,1)**

1<sup>st</sup> Lundgarth Jubilee JW. A bitch with plenty of quality and type about her. She has a very beautiful head with lovely expression. A long neck. Elbows could be closer to body when standing but are tight enough on the move. Excellent topline and underline, well set tail. Well angulated behind, indeed she does not need any more than this. She moved quite well but needed some going to use her tail to her advantage.

2<sup>nd</sup> Droveborough Frost Queen. Well constructed and well proportioned bitch, but without the degree of beauty of the winner. Rather plain in head. Strong neck, well set. Moderately angulated both ends. Firm topline, strong rear. In excellent condition. A sound, no nonsense mover.

3<sup>rd</sup> Sunhouse Black T'square One

### **POST GRADUATE BITCH (3)**

1<sup>st</sup> Freebreeze Pixar at Prosperity. A bitch of excellent type and proportions, well coupled. She has a very typical head and expression, well set and carried ears. Long neck, well set. Good layback of upper arm and enough forechest. Could do with some more length of brisket. Firm topline, well set tail. Standing she could be a little stronger in rear, but she moved well from all angles and with a typical pointer balance and outline on the move.

2<sup>nd</sup> Droveborough Frost Queen

3<sup>rd</sup> Pencaire Sandpiper with Moenfair

**LIMIT BITCH (8,1)**

1<sup>st</sup> Clamerkin Jubilee Surprise at Hookwood. A very athletic bitch, elegant and feminine and very well constructed and proportioned. She is black with plenty of spots. Very feminine head with good length and parallel planes, ears a little low set, but dark eyes give her a very pleasing expression. Long neck, well set into shoulder, typical topline with a slight arch of loin, very attractive underline. Well set and carried tail. Strong rear. She is very powerful and athletic on the move as well as sound coming and going. The more you look at her the better you like her. Definitely champion quality.

2<sup>nd</sup> Tenshilling To Sir With Love JW. A strong, eye-catching white bitch with a few red markings. She has a strong head for a bitch, could do with less skull. Lovely neck into shoulder. Well angulated both ends. Firm topline, very good underline if showing that she has had puppies. Well angulated hindquarters. Lovely coat. She is another powerful and sound mover, retaining her balance on the move, but not as exceptional as the winner.

3<sup>rd</sup> Wilcrimane Mint Julep to Jarobede

**OPEN BITCH (2)** Two very beautiful bitches of the highest quality.

1<sup>st</sup> Sh Ch Wilchrimane Frankly Darlin. Elegant, porcelain like, feminine bitch of superb type and quality. She is just a work of art with nothing left to coincidence. She has a very typical head with lovely expression, correct head planes and some dish face. Lovely neck, excellent forechest and layback of upper arm. Short and very well coupled in body with delicious curves to her underline. Ample angulation behind, but she handles it very well on the move. Clean, sound and extending well in both ends. The star of the day. CC & BOB.

2<sup>nd</sup> Sh Ch Tenshilling The Wanderer. Much of the same can be said about this bitch, similar in quality and type, if a little larger. Feminine head with excellent length of muzzle and typical stop. Well set neck, not quite the forechest of the winner, but good enough. Lovely topline with slight arch of loin. Balanced angulation behind. Another well synchronized and well balanced mover. She is just lovely and was very unlucky to meet the winner. ResCC.

**ESPEN ENGH** - judge
