A super girl in all departments, very feminine, stands true on strong legs and tight feet, portrays an outstanding profile when stacked and on the move, super angulation, presentation is outstanding and handled to perfection. I'm sure if asked she would perform without her handler as she is so well schooled, I don't think I have ever seen a partnership so together before. Could not deny her the CC & BOB, over the moon that I stayed to watch her take the top spot in the group, well done, richly deserved.

2<sup>nd</sup> Bond & Rawlinson's Sh Ch Joneva Azelia Banks. Another lovely type and worthy champion, scores in head, neck and shoulders, strong in loin and rear, moved out positively at one with her handler.
